Public Works, executed by Revenue officers" and also from the lapses from the previous year's grant (statement A).

2. Read Executive Engineer's No. 198, dated 9th July 1896, requesting to be informed whether the District Fund Board is prepared to meet the cost of opening out a feeder road from Nullur to Chikjajur.

*Resolved* that as there are no funds at the disposal of the District Fund Board, they are not prepared to meet the cost of this road.

3. Read and recorded letter No. 472—2882, dated 13th June 1896, from the Secretary to the Government of Mysore, Public Works Department, forwarding for information copy of Assistant Resident's letter No. 2044 of the 3rd June 1896, and stating that the proposal for a railway feeder road from Davangere to Arsikere should be given up.

F. 21-96, dated 20th July 1896, sanctioning the maintenance from District Fund of two lamp posts one near the Civil Hospital at Chitaldrug and another in front of the musafirkhana near the Holalkere railway station at an annual cost of Rs. 30, and requesting to point out the source in the current year's budget from which the cost can be met.

There are no funds to meet this charge out of the budget grants for 1896-97. A dispensary building is more urgently required at Harihar than at Challakere. At Challakere the new taluk cutcherry is approaching completion and as soon as the taluk cutcherry is moved to the new building a portion of the old building will be available for locating the dispensary.
